- Supervised the work of technical and legal assistants and general office management.

Aug. 2014 – June 2015 Ontario Ministry of the Attorney General Toronto

Student-at-Law

- Identified and recommended legislative approaches to policy decisions.
- Interpreted legislation and advised court staff and clients in policy departments.
- Provided legislative advice during the policy development process, including under the *Execution Act*, the *Estates Act*, and the *Courts of Justice Act*.
- Prepared legislative documentation, option papers, briefing notes, and speaking notes for directors, the assistant deputy minister (ADAG), and cabinet office.

- Drafted legal memos, correspondences with the public, briefing notes, policy papers, public legal information, court procedure manuals, and court procedure checklists and flowcharts.
- Managed the legislative process in the making of new regulations under the *Family Law Act*, including the translation of policy decisions into drafting instructions with instructing counsel as well as ensuring the new legislative provisions reflected policy decisions of the ministry in reviewing drafts with legislative counsel.
- Facilitated amendments to the *Courts of Justice Act* through the legislative process.
- Communicated complex legislative provisions to a variety of audiences including financial disclosure forms under the *Family Law Rules* and visual flow charts describing processes under the *Rules of Civil Procedure*.
- Developed solutions to protect consumers of court reporting services.
- Supported program development for civil, family, provincial offences, and criminal courts.
- Developed information management (record retention) policies and standards.
- Consulted with the bench and bar and communicated rule changes and legislative reforms.
- Developed a database cataloguing the reports of the Standing Committee on Regulations and Private Bills as well as that Committee's correspondences with Ministries.
- Conducted extensive research on the appointment process of judicial officers as well as the legal instruments constituting their appointment and prepared related option papers.
- Facilitated regulatory and administrative changes including conducting jurisdictional scans, noting-up legislation and case law, and seeking approvals from senior management.
- Drafted procurement contracts between the court administration service and local authorities.
- Represented branch counsel on inter-ministerial working groups.

Sept. 2012 – Dec. 2013 Ontario Court of Justice (Family) Toronto

Family Law Project Fellowship

- Aided unrepresented litigants in navigating the court system and filling out the complex forms required at every stage of the process, under the supervision of counsel.

May – Aug. 2012 Law Commission of Ontario Toronto
